

Symbolic Material Culture within an Ancient Catastrophic Temple Complex

Dr. Henry Walton Jones Jr.

1984-01-01

Introduction

This is a **totally** made up study. The *data* are **VERY** real though.

It is very important to state that any conclusions reached in this article are the ramblings of a fictional archaeologist.

New paragraph.

Materials

Here is a list of materials used during excavation:

- Whip
 - for careful excavation
- Hat
 - protection from sun
- Gun
 - to keep away dig-site cats

1. Gun
2. Whip
3. Hat

Methods

I recently learned R, which is why I'm using it here. I'm using R version 4.4.0 (2024-04-24).
